Shared Code Repository - Git Exercise

GitHub username: paulromer12

Repository Link: <https://github.com/kevinramirez-dev/GitLab>

The screenshot displays a GitHub interface showing a list of pull requests for the repository 'kevinramirez-dev/GitLab'. At the top, there are filters for '0 Open' and '8 Closed' pull requests, along with sorting options: Author, Label, Projects, Milestones, Reviews, Assignee, and Sort. The list contains eight pull requests, each with a title, a status icon (either a green checkmark for merged or a red 'X' for closed), the author's name, and the merge status. The pull requests are ordered by their merge status, with the most recent merged pull request at the top.
